## **Collecting Military Medals: A Beginner's Guide**

**Colin Narbeth : Collecting Military Medals: A Beginner's Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised [Collecting Military Medals: A Beginner's Guide](#):

0 of 0 people found the following review helpful. Usefull to the collector, historian, and antiques dealerBy J. R.As a collector, historian, and antiques dealer, this book is most useful to me to help identify objects - No one-book will cover everything, I suggest you gather several varied types for your library for what ever topic you wish to review.0 of 0 people found the following review helpful. very happy,By Leonas advertised, very happy, A1

The background to collecting military medals is inseparable from a study of history. The earliest British medals, as befits a nation for so long reliant upon naval strength for its independence, were issued to the Navy, beginning with the defeat of the Spanish Armada in 1588. The first true campaign medals awarded to the Army followed the Battle of Waterloo, although many had been issued privately and unofficially before this. As one would expect for a country like Britain, with an outstanding imperial history dating to modern times, a vast field of military medals covering service in Africa, India, and China awaits the attention of the collector. There are, too, the collections relating to major wars, including the Crimean War, Boer War and the two World Wars. Colin Narbeth describes the medals awarded, and the actions which gave rise to special bars, ribbons and stars. Orders and decorations, including the Victoria Cross and the George Cross, both awarded for extreme valour, are described as are the naming of medals and display. As well as this wealth of background information, the author also details the aims to which a new collector should aspire, and discusses the pitfalls to guard against, including the problem of identification of forgeries. The volume is illustrated with numerous photographs selected by the author.

About the Author Colin Narbeth and his son Simon have a business in London specialising in paper money collecting. He is a member of the American Numismatic Association and founded the International Bank Note Society in 1961. Publications: Coins Currency, 1966 Beginner's Guide to Stamp Collecting, 1966 Investing in Stamps, 1968 Collecting Paper Money, 1968 Collecting British Stamps, a Beginner's Guide, 1969 The Coin Collector's Encyclopaedia, 1969 Collecting Military Medals, 1971 Stamp Collecting all in Colour, 1972 The Story of Paper Money (with Yasha Beresiner), 1973 Successful Investing in Stamps Banknotes, 1975 Collecting Paper Money Bonds, 1983
