Collection by Design: A Paper Doll History of Costume 17501900

Norma Lu Meehan, Jean Druesedow : Collection by Design: A Paper Doll History of Costume 17501900 before purchasing it in order to gage whether or not it would be worth my time, and all praised Collection by Design: A Paper Doll History of Costume 17501900:

0 of 0 people found the following review helpful. I have 2 copy's of both books by Norma Lu Meehan, two books of Great Designs, I have every book by Norma Lu. By Edison I own 2 copies of both books by Norma Lu Meehan along with every book she has done, I have an order for her new book Little Ladies of Fashion, which is a great book as well. Thank You!, N.Snyder 0 of 3 people found the following review helpful. Not what I thought, really are paper dolls, not a history book. By cheery28 If you are looking for a few more paper dolls with a few historical costumes, then it's great. However, I was looking for a real history book with great illustrations. This is not it. 4 of 4 people found the following review helpful. Collections 1 and 2 By Nina Bron A wonderful reference for costumes from the time periods.

The clothes are excellent and colorful. Great books to own.

Drawn from the Jerry Silverman/Shannon Rodgers Collection at the Kent State University Museum, this paper-doll costume history features 31 costumes from 1750 to 1900. Each doll and costume has a curatorial description on the back, and each page contains inset details of fabric or constructions, some photographic. Narrative includes the curators introduction to costumes of the period and the artists sense of the collection itself, as well as a glossary and bibliography, making the work indispensable not only to the general audience and collectors but also to students and scholars of costume, theater, and reenactment.
