[Mobile ebook] Collector's Guide to Children's Books, 1850-1950: Identification Values, Vol. 2

## **Collector's Guide to Children's Books, 1850-1950: Identification Values, Vol. 2**

**Diane McClure Jones, Rosemary Jones : Collector's Guide to Children's Books, 1850-1950: Identification Values, Vol. 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Collector's Guide to Children's Books, 1850-1950: Identification Values, Vol. 2:

0 of 0 people found the following review helpful. Five StarsBy PAUL HENDERSONGreat information. Includes dates, prices (dated, but relative to each other).3 of 4 people found the following review helpful. againBy Ms RedNot enough informative information about antiquarian childrens books, I would like to see all the authors or at least all the titles possible16 of 17 people found the following review helpful. Inaccurate and valuelessBy C. S. SternickThis book is an embarrassment. Virtually every page of book titles and listings has at least one glaring error. In the area of juvenile series books it is both incomplete, full of errors, etc. Examples are easy to find- Border Boys Series incorrectly dates the publishers, Bobbsey Twins description woefully incomplete, Battleship Boys lists only a few of

the titles in the series and does not mention the first publisher which was Altemus, Airship Boys Series fails to note all of the books and both of the publishers. These mistakes are just on the pages I glanced at for series books. I suspect the same errors of commission and omission exist for many other books. Get yourself Mattson's guide for series books and do your own research for anything else. This book does have a nice glossy cover. Totally form over substance.

Covering approximately 100 years of children's publishing, this volume is divided into two main sections: books listed by author and books listed by series. A bonus section on Play Books has been added which features books meant to be "played with", such as paint books, animation books, and pop-ups.
