before purchasing it in order to gage whether or not it would be worth my time, and all praised Collectors Encyclopedia Toys-Banks: Cast Iron, Tin Wind-Up, Autos More With Prices:

0 of 0 people found the following review helpful. Collectors Encyclopedia on Toy BanksBy Alexander WilsonI could spend a lifetime going through each and every page of this excellent book of timeless toys and banks of all kinds. This book is one that my grand children will enjoy as time goes on. Thank-you for this once in a lifetime purchase that I made for me and my family. Sincerely, Al Wilson0 of 0 people found the following review helpful. Great bookBy Lesli BaumerGreat info. Condition of book great.0 of 0 people found the following review helpful. Five StarsBy katherine berge-charteras described- fast shipping

2006 Values! This great toy bank book is now in print again with 2006 Values! Toy bank collectors will love the

variety of toys shown in this title. Items are identified with a b/w photo and value of each item! Includes: Cast Iron, Tin Wind-up, Autos more. Also: Still Banks of Yesterday and Mechanical Banks! You will see many toys that are not shown in other toy bank books. There are also many original catalog pages that describe old toys in depth. Paperback, 216 Pages

Thousands of cast iron, tin, and wind-up toys are explored throughout this pictorial price guide. Indexes help locate the toys in question and updated values in a user-friendly pricing system make this a most valuable collectible folio. The collectible toy market is huge, and this book will make the most out of any collection. 1995 VALUES -- Book Description
