Collectors Guide To Coca-Cola Items: Vol. II (Volume 2)

Al Wilson : Collectors Guide To Coca-Cola Items: Vol. II (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Collectors Guide To Coca-Cola Items: Vol. II (Volume 2):

1 of 1 people found the following review helpful. Great Book for New Coke CollectorsBy Adrian UngIf you are a new coke collector, this is a great guide book to have. It has a lot of items listed and you are given a guide as to how much an item should cost. The price may be little outdated but for the new collector, it would be able to let you know of what items to look out for. You may later progress to an updated edition. Further reading could also be Petretti's Coca-Cola Guide Book which has an even more comprehensive list of items.
