[Mobile library] Colts from the William M. Locke Collection

## Colts from the William M. Locke Collection

**Frank M. Sellers : Colts from the William M. Locke Collection** before purchasing it in order to gage whether or not it would be worth my time, and all praised Colts from the William M. Locke Collection:

Colt firearms are the most popular collectible weapons in the world and the collection assembled by William M. Locke was the best ever. This important book illustrates all of the famous Locke Colts, with captions by arms authority Frank Seller. Safeguarded over the years by Bob Berryman, the countless original photographs illustrated here have never before been shown in such detail. A vital resource for establishing provenance to a truly legendary group of firearms. Every Colt enthusiast should own a copy of this invaluable reference, which includes a handy serial number key and index and hundreds of black white photographs.

This book provides a definitive guide to the full range of Colt arms with its clear photographs and detailed caption to

which have been added a most useful serial number key. It is well indexed and is an essential reference book for all with a serious interest in Colts --Journal of the Arms and Armour Society, London, January 1997
