Colts Single Action Army Revolver

Doc Omeara : Colts Single Action Army Revolver before purchasing it in order to gage whether or not it would be worth my time, and all praised Colts Single Action Army Revolver:

0 of 0 people found the following review helpful. Five StarsBy Ronald SandsExcellent products great service.2 of 2 people found the following review helpful. Good bookBy Loretta AtwoodEspecially needed the information on serial numbers produced by year. The book has a lot of other good information, too.0 of 0 people found the following review helpful. Colt SAABBy Mark J. TidwellA good read on the fabled Colt Single Action Army. The volume arrived quickly. I have enjoyed reading this book myself, and our library patrons have enjoyed it.

Colt's single action army revolver is the one revolver that captures the spirit of the American cowboy and holds the attention of gun enthusiasts and collectors around the world. It has been in almost continuous production since 1873, copied by more than a dozen manufacturers and remains as popular today as it was more than a century ago. In Colt's Single Action Army Revolver, author Doc O'Meara takes readers on a journey of discovery looking at this remarkable

revolver from its beginnings. With production figures and serial number information, O'Meara serves collectors and historians. He also tests several modern reproductions of Colts and their rivals, providing ballistic and accuracy data for the shooter. -Provides production figures, serial numbers by year and rarities -New low price -16-page color section featuring rare and exotic Colts and the people who owned them
