Excellent book, lots of color photos of vintage sand pails and beach toys make this a great book for the collector or dealer of antique and vintage sand pails and related items. Very nice descriptions of the items in the book. Great book overall and I rate it a 5 star rating. I highly recommend this book. Thank you. 2 of 2 people found the following review helpful. A fabulous book for every comic character fan! By David K. Longest As the author of many books on antique and collectible toys myself, I know when PASSION and LOVE for a genre of collecting drives a book, and Doug and Pat Wengel have done just that with this incredibly beautiful book. Sand pails and sand toys have ALWAYS been a hot commodity among both tin toy and general toy enthusiasts, but COMIC CHARACTER SAND TOYS have helped to drive the market! Doug and Pat have brought us this EXCEPTIONAL book on a subject that has rarely been dealt with in such detail. The photos are FABULOUS and their examples from advanced collections are a treat for the eye. If BEACH TIN interests you, or even if you are just getting started...this is a WONDERFUL BOOK! 2 of 2 people found the following review helpful.

Great reference for anyone collecting character sand pails By Hans Crezee The authors have amassed an incredible number of rare and ultrarare examples of character sand pails, and captured them in beautiful large size photographs. I was truly impressed by this book!

Metal toys decorated with comic characters like Betty Boop, Felix the Cat, Popeye, and Disney characters have been produced for over 70 years and continue to be collected and manufactured today. Among the most popular are those for the beach and sand box, including pails, watering cans, sieves, shovels, and rakes. The older toys have become valuable collectibles. Organized by the characters, this unusual new book includes the Katzenjammer Kids and Barney Google from the 1920s, and Disney characters from the 1930s, including Mickey Mouse, Minnie Mouse, and Donald Duck, Pinocchio, Snow White, and more. Other characters bring the toys through the decades to the present

day: Baby Snooks, Bonzo, Charlie Chaplin, Davy Crockett, Kewpie, Oswald, Punch and Judy, Raggedy Ann, Hanna-Barbera characters, and TV characters such as Dora the Explorer and SpongeBob SquarePants. \nToymakers, include Ohio Art, J. Chein, T. Cohn, EGDA, Happynak, Alex Harvey, R.S.-La Isla, ASAM, Willow, and other international firms. The book is amply illustrated with 400 color photos. This is a reference guide for all collectors of toys, bringing the authors years of expertise and understanding of the marketplace to their readers. A value guide is included.

About the Author Doug and Pat Wengel have been active dealers and collectors of character toys for many years. Specializing in Disneyana, their expertise extends to the whole range of 20th century toys. They reside in New Jersey and exhibit at many regional and national shows.
