## Commercial Fragrance Bottles

**Joanne Dubbs Ball : Commercial Fragrance Bottles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Commercial Fragrance Bottles:

0 of 0 people found the following review helpful. Five StarsBy LoveMyTwinsVery nice book.0 of 0 people found the following review helpful. Great Book!By Diana OlsonLovely book! So enjoy these old perfumes, and love the colored photos!2 of 2 people found the following review helpful. A Treasure!By Elaine FlemingThe cover does not do justice to the heavenly photos that await inside. Photos are crystal clear, showing over 1000 perfumes, from your mother's favorites to Art Nouveau masterpieces and recent creations. The authors do a wonderful job of putting the perfumes in the context of their times, describing the chemistry, the fragrance creators, bottle designers, and the women who loved the perfumes. I could sit and look at this book every night it is so beautiful. I only wish I could experience "Thou Shalt Not," by Maupassant. What a name!

During the past one hundred years, thousands of trademarked fragrances have competed in the marketplace. Here are over 1000 examples, most of which have not appeared in previous books on the subject. From cork-stoppered, floral-scented toilette water that Victorian ladies daubed on their wrists on airless summer days to current fragrances that provide yet another avenue for individuality in the ambiance of today's modern woman, here are commercial fragrance bottles for the most avid aficionado. Spanning early examples and every decade of the 20th century, Commercial Fragrance Bottles covers a representative assortment—from the rare to the whimsical. Once it is published, Commercial Fragrance Bottles will become one of the standard books in the large, enthusiastic field of perfume bottle collecting.

About the AuthorMs. Ball, from Connecticut, is a fashion historian who has written three books on costume jewelry and fashion accessories. Dorothy Torem is a jewelry designer extraordinaire and photographer from Providence, Rhode Island.
