Expanded and updated coverage. Nearly 300 pages of useful, hands-on knowledge! Detailed photos show specific features that separate rarities from fakes and rebuilds. Covers all of the manufacturers of components, parts, variations and markings. Learn which parts are proper for which guns. The total story behind these guns, from their invention through WWII, Korea, Vietnam and beyond! 300+ photos show you features, markings, overall views and action shots. Thirty-three tables and charts give instant reference to serial numbers, markings, dates of issue and proper configurations. Special sections on Sniper guns, National Match Rifles, exotic variations, accessories and more!
