Confederate States Paper Money

Arlie Slabaugh : Confederate States Paper Money before purchasing it in order to gauge whether or not it would be worth my time, and all praised Confederate States Paper Money:

Back for a ninth edition, this bible of the numismatic industry is better than ever. "Confederate States Paper Money" features a new section on the Southern states, along with up-to-date pricing, a section on the financial history of paper

money, and in-depth coverage of Confederate printing errors. 100 photos.
