[Mobile book] Contemporary Painting in Poland

Contemporary Painting in Poland

Richard Noyce, Fine Art Publishing : Contemporary Painting in Poland before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Painting in Poland:

1 of 1 people found the following review helpful. Excellent OverviewBy Bubble McNuysI have both of Mr. Noyce's books covering Polish painting and graphic arts. They represent an excellent overview of current art in Poland. I lived in Poland for two years and purchased many pieces by artists represented in Noyce's books. This book covered quite a few artists I had not known about. From my experience, contemporary painting is not as developed or respected in Poland as the graphic arts and printmaking. This is a great reference guide that I am going to use the next time I am back in Poland.It is wonderful to have these books accompanying my art collection.1 of 1 people found the following review helpful. Incredible research and artists' profilesBy A CustomerContemporary Painting in Poland is an absolute delight for all wishing to better understand the contemporary art (painting) scene in Poland. Mr. Noyce provides a brief, yet thorough history of Polish painting, accompanied by insightful profiles of 48 notable, contemporary Polish artists. Excellent examples of the artists' works fill the 236 large-formatted pages. As a Polish-American, I found the book truly inspiring and have reserved a special spot in my library for it.

excellent condition
