It's one of my favorites in my collection of more than twenty jewelry books.0 of 0 people found the following review helpful. Nice photosBy dtI liked this book a lot. it was informational and interesting to look thru. Many many very nice color photos.6 of 6 people found the following review helpful. Excellent Resource BookBy Linda P. MorrisOne of the books I use for reference that is accurate and easy to understand. Selling estate jewelry and knowledge of jewelry pieces is a must!

Costume jewelry truly is an art form and imaginative designers have crafted various materials and stones into expressions of both the culture and customs of their time. Collectors will learn how to identify pieces and styles

through the informative text and treasure trove of jewelry from various periods.
