Country Furniture and Accessories from Quebec

Warren I Johansson : Country Furniture and Accessories from Quebec before purchasing it in order to gage whether or not it would be worth my time, and all praised Country Furniture and Accessories from Quebec:

Have you every wondered where the nineteenth century country furniture found in today's American antique marketplace came from? It will surprise the reader to learn that much of it came from Quebec, Canada. Warren Johansson has written a guide to the sources and kinds of Quebec country antiques currently i the United States. It also presents a brief history of the Quebec-American antique trade as well as the personal collecting experiences of the author and his family from the mid-1950s to the early 1980s. Amply illustrated with both black and white and color photographs, as well as line drawings and maps, this is an important reference work. A price guide is included.
