Cowboy Textiles

Tom Kiley : Cowboy Textiles before purchasing it in order to gage whether or not it would be worth my time, and all praised Cowboy Textiles:

Cowgirls, cowboys, horses and Western heroes cover these great vintage textiles. See the best chenille bedspreads from the 1940s, rugs, blankets, tablecloths, aprons, hankies, scarves and novelty prints up to the 1970s. This comprehensive presentation of vintage household textiles will inspire today's designers and encourage collectors to keep digging.
