Curio Relics FFL 03 Bound Book

Kim Isaac Greenblatt : Curio Relics FFL 03 Bound Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Curio Relics FFL 03 Bound Book:

3 of 3 people found the following review helpful. This book is made well but looks like it was designed by a elementary studentBy Jeremy D StandkeThis book is made well but looks like it was designed by a elementary student. It's very generic and poorly laid out. . It will work but spend the 10 bucks for the book factory one. The record keeping info is laid out side ways and is the size of a business check so there is a wasted blank space below the to small to fill out fields that didn't leave room for a picture.0 of 0 people found the following review helpful. Five StarsBy Rick M.just what i need for my collection0 of 0 people found the following review helpful. Three StarsBy mectec101Ok but not the best

This is one of the best deals for anybody with a Curio and Relic Federal Firearms License (03FFL). The bound book

holds over 440 entries as single line entries over an entire page. Each page is sequentially numbered in compliance with the BATF. This bound book helps you comply with being a happy and legal historical firearms collector. Made in the United States of America. Part of the proceeds from all sales go to research a cure for Rett Syndrome. Rett Syndrome is a syndrome that affects one girl born worldwide every 15 minutes. Boys born with the Rett gene die at birth. Part of all sales by Kim Greenblatt Publishing go to help find a cure and better the lives of girls with Rett Syndrome and their families.
