Daggers and Bayonets

Logan Thompson : Daggers and Bayonets before purchasing it in order to gage whether or not it would be worth my time, and all praised Daggers and Bayonets:

1 of 1 people found the following review helpful. Daggers and BayonetsBy Thomas LittleThis is an interesting book especially regarding the early development and use of daggers and knives and onto bayonets. Lots of good pictures and illustrations.

A history of the evolution of the dagger from early ages to mid 18th century; and the militarily significant bayonet from 1650 to the present.
