B.These postcards are funny. Good price.8 of 8 people found the following review helpful. sturdy, and easy to remove from the bookletBy Miss FeasanceSnarky, cute, sturdy, and easy to remove from the booklet. Note that these are the larger size that will require more than the basic postcard postage in the US.

Twenty different postcards featuring the most inappropriate, confusing, poorly translated and mind-bogglingly bizarre signs from around the world. Few things amuse and appall Telegraph readers as much as the abuse, misuse, mistranslation and outright mangling of the English language. So, for the past three years the Telegraph has run a weekly feature inviting members of the public to send in photographs of menus, health and safety warnings, road signs, advertisements, headlines and personals columns - anything in which the language has gone egregiously, hilariously and, usually, unintentionally wrong. These have been published in the best-selling Sign Language series and are now available for you to keep, send or frame in these easy tear-off postcards.

About the AuthorSTEVE JAMES is a former Glamorgan and England cricketer, who now writes on cricket and rugby for Telegraph Media. He has written six books, including an autobiography and The Plan, the award-winning story of how two Zimbabwean coaches, Duncan Fletcher and Andy Flower, transformed English cricket. He has ghosted books for Fletcher, England wicketkeeper Matt Prior and Wales rugby captain Sam Warburton.
