Dali-Jewels: The Collection of the Gala-Salvador Dali

salvador dahlí : Dali-Jewels: The Collection of the Gala-Salvador Dali before purchasing it in order to gage whether or not it would be worth my time, and all praised Dali-Jewels: The Collection of the Gala-Salvador Dali:

Dal!, like the Renaissance artists, refused to be restricted to one unique form of expression: to that of painting. He wished to go beyond that point by making new discoveries; by trying out new means of expression; one of which being the creation through the combination of precious stones and noble metals. This pocket-sized edition is a superb introductory guide to Dali's jewels. This edition includes a brief chronology of the Dal! Jewels, detailing their

conception in the early 1940's, through to their most recent exhibition.
