Decorated Papers: Notebooks: Set of 3 (Thames Hudson Gift)

P. J. M. Marks : Decorated Papers: Notebooks: Set of 3 (Thames Hudson Gift) before purchasing it in order to gage whether or not it would be worth my time, and all praised Decorated Papers: Notebooks: Set of 3 (Thames Hudson Gift):

A set of three notebooks with covers reproducing a selection of the richly ornamented papers many originally used by bookbinders held at the British Library. Rich in ornamentation, decorated papers have been in use for centuries as wrappers and endpapers for books, as the backing for playing cards, and even as linings for chests and cases. Yet despite the many contexts in which they can be found, they often go unnoticed. The Olga Hirsch collection at the British Library contains some of the best and most exquisite examples of decorated paper and each of the three notebooks in this set has a cover reproducing one of its stunning, richly ornamented papers.
