[Read free] Decoying St. Clair to St. Lawrence

## **Decoying St. Clair to St. Lawrence**

**Barney Crandell : Decoying St. Clair to St. Lawrence** before purchasing it in order to gage whether or not it would be worth my time, and all praised Decoying St. Clair to St. Lawrence:

Another book that is great for identification of Ontario decoy carversBy Steve HeeleyIf you collect Ontario decoys this is another must to help identify carvers. One book can't do it all , but this was an asset5 to my book collection for collecting decoys.

Book covers identification of antique and vintage decoys of Michigan and Ontario, Canada. With text and black and white and color plates."Relates some...unusual expeditions and adventures that will offer to the reader entertainment and, hopefully, some new information on old-time carvers. Most of the photographs show the straight side view of the decoys, which is better than the other views. I have tried to show as great a cross-section of Michigan and Ontario decoys as possible."
