Deutsche Kriegsmarine: Uniforms, Insignias and Equipment of the German Navy 1933-1945

Eduardo Delgado : Deutsche Kriegsmarine: Uniforms, Insignias and Equipment of the German Navy 1933-1945 before purchasing it in order to gage whether or not it would be worth my time, and all praised Deutsche Kriegsmarine: Uniforms, Insignias and Equipment of the German Navy 1933-1945:

1 of 1 people found the following review helpful. Great overview of kriegsmarine uniforms and awardsBy C. D. TurnerExcellent review of kriegsmarine, uniforms, only criticism is that maybe the general history could have been dropped as anyone buying this book will have more in depth books, would have been nice if kriegsmarine units used as field units in the last months of the war had been covered. This however given the difficulty on sources, would be very picky to knock a star off, photos and production values are high, as you would expect from a book at this price.

This book offers an outstanding visual record of the history, uniforms and gear used by the Kriegsmarine. Over 500 pages, 2600 photographs (most unpublished before) accompany the clear, explanatory text.
