Direct Metal Sculpture. Creative techniques and appreciation

Dona and Seiden, Don Meilach : Direct Metal Sculpture. Creative techniques and appreciation before purchasing it in order to gage whether or not it would be worth my time, and all praised Direct Metal Sculpture. Creative techniques and appreciation:

1 of 1 people found the following review helpful. the pictures of the sculptures were excellent.By Gary EdwardsVery thorough explanation of the materials and techniques of direct metal sculpture. Because of the age of the book there is no mention of plasma cutting. The examples, that is, the pictures of the sculptures were excellent.3 of 6 people found the following review helpful. Great resource book.By J. CoffeyIf your at all interested in metalwork, either functional-decorative or both pick this book up. You won't be disappointed.
