daughter who loves Brownie, her childhood bear. She adores the book.

It's rare to find a child whose very first best friend wasn't a fuzzy teddy bear or downy blanket. Whether clutched securely in little arms each night or dragged gamely through the playground each day, these fiercely loved companions universally ease the uncertainties and loneliness of childhood. **DIRTY WOW WOW AND OTHER LOVE STORIES** celebrates the lives of fifty transitional love objects: a sweetly poignant collection of stuffies, blankies, lovies, and dolls who inspired and comforted their owners. Bundles of love and warmth fashioned from fluff and fur, these cherished friends have a lifetime of stories sewn up in their tattered bodies--a trip to Paris smushed in a suitcase, a secret hiding spot behind the family liquor cabinet, an interminable wait in the lost-and-found bin before a joyous reunion at home. With stunning photographs that reveal the personalities within, this thoughtful tribute is at once funny and oddly soothing--like a certain shabby buddy who's tucked away but never forgotten.
