Discovering Old Buttons (Shire Discovering)

Primrose Peacock : Discovering Old Buttons (Shire Discovering) before purchasing it in order to gage whether or not it would be worth my time, and all praised Discovering Old Buttons (Shire Discovering):

18 of 18 people found the following review helpful. Cover deceptive, product information lacking.By RandaRieThis would have been a great book, had it not been completely in gray-scale. The cover is vibrant and beautifully colored, you would assume that the content of the book would match the quality of the cover. I was very disappointed to find

that the entire book, with the exception of the cover is black and white.0 of 0 people found the following review helpful. Three StarsBy Customernothing on what there worth0 of 0 people found the following review helpful. Five StarsBy stuffed peppersGood size color pictures. Great reference book.

Button collecting has been a hobby in America and Britain for a number of years. Organized along the lines of stamp collecting, there is an incredible variety of buttons available, with the most magnificent produced during the eighteenth century. This book outlines button history and describes the types of buttons that the average collector is most likely to encounter. With illustrations of a large range of button designs, this is a perfect introduction to an enjoyable, timeless hobby, ideal for aspiring collectors and anyone interested in the history of fashion.

About the AuthorPrimrose Peacock, a former antique dealer and author of Buttons for the Collector (David and Charles), lives in Somerset. She remains Honorary Secretary of Friends of Albania, a country in which she has a special, non-political interest.
