Discovering Royal Doulton

Michael Doulton : Discovering Royal Doulton before purchasing it in order to gage whether or not it would be worth my time, and all praised Discovering Royal Doulton:

In this book Michael Doulton writes about one of the most famous names in the fine china world. He describes the history of the company and tells of his family's involvement and he writes about the great modellers both past and present. He writes about the various ranges: Figures and Animals, Character Jugs, Nurserywares, Art Wares, Rarities, Limited Editions and pieces with Royal connections. Advice is given on display, insurance, meeting other collectors

and everything else the collector needs to know.
