First of all, as I had purchased the Whitman Lincoln cents volume two (1996 - ?) in the year 2017, I would have thought that the album would have been kept up-to-date and had this page included. But as it was not, I got this single page and used the obsolete page two, only printed through 2010, for parts, which I will get into later. Then I was disappointed again in seeing that the heat of the shrink-wrap process had warped the clear plastic inserts where they are exposed at the finger grip cut-outs. So the obsolete page came in handy as I used the plastic inserts from it to "fix" the damaged new page. There were just too many issues with this order to give a good review, though I still like the Whitman Classic coin albums. 0 of 0 people found the following review helpful.
