Lincoln Cents Folder Plain (Official Whitman Coin Folder)

Whitman : Lincoln Cents Folder Plain (Official Whitman Coin Folder) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lincoln Cents Folder Plain (Official Whitman Coin Folder):

0 of 0 people found the following review helpful. No Dates By ESchoolIt's both great and strange to have a coin book that has absolutely no dates in it. Gets the job done, however, since they haven't released a book that has the latest years in it, so I have the latest coins on the left pockets and other special cents that I am stockpiling for when I complete other books and want to start a new one. 12 of 12 people found the following review helpful. I actually own this. By reading it all Whitman Lincoln Cents collection is a good quality folder for the new and old collectors alike. Each of its 3 pages has 30 slots for holding a total of 90 coins and for either displaying the back or some other special coins you may have. There are no labels but a space to do your own labeling is provided. Reading the directions and inserting the coins is no problem. This would make a great "tooth fairy" album because it will hold whatever pennies you want to put in it. If you like to collect out of your pocket change, this is probably for you => 1 of 1 people found the

following review helpful. Lincoln cents plain folderBy David MasonThe Lincoln plain folders do what they are designed to do. It allows me to organize my cents any way I choose. Coins are easy to put in and well made. Nice way to display my coins. I can also easily take out a coin and replace it with a better conditioned one if I want to. Good folder.

Lincoln Cents Collectors Folder Plain. Whitman brand, folder opens flat for all-at-once viewing and includes data pertaining to the coins it holds. No dates, 90 openings.
