little reference book for collectors and students of the P-08 Luger. Fits in the jacket pocket so it can go with you everywhere. The identifier chart is very detailed and useful. Great little book. 2 of 2 people found the following review helpful. Easy to carry and refer to at gunshows etc. By Lonnie S. Lot's of information packed into a small paperback. Easy to carry and refer to at gunshows etc. A welcome addition to a Luger Library. Although sometimes overpriced.

Now anyone can identify any of the legendary Luger variations using a simple decision tree. Each model and variation includes pricing information, proof marks, and detailed attributes in a handy, user-friendly format. Plus, it's fully indexed. Instantly identify that Luger!
