## **Luxury Toys for Men (German, English, French, Italian and Spanish Edition)**

**teNeues : Luxury Toys for Men (German, English, French, Italian and Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised **Luxury Toys for Men (German, English, French, Italian and Spanish Edition)**:

2 of 2 people found the following review helpful. Big book of advertisementsBy Edward Changsection on cars is pretty spot on in terms of selecting the ne plus ultra. boat selections are also pretty decent, though they missed the aquariva.however, the wrist watches in this book are craptastic. A plastic AP royal oak offshore? I guess the target market for this book is lebron james.patek phillippe, a lange % sohne, philippe dufour, not in this book...but should be.0 of 0 people found the following review helpful. One StarBy Romanavery disappointed the book was used when purchased new0 of 0 people found the following review helpful. Good quality with a simple contentBy GonzoIf you expect something really sophisticadted this is not the book. Nice for the library no so nice for my mind

Enter a world of luxurious indulgence with a select assortment of products and technical innovations for our gentlemen friends. Covering electronics, transport, accessories and gadgets, this truly is a dazzling array. For many men these coveted objects will represent dreams they've held since childhood. Without exception, these exclusive playthings are top of their class. Brand histories and distinctive details feature prominently. This lavishly illustrated volume helps readers make their wildest wishes come true--if only on the page!
