Masterpieces from the House of Faberg

Alexander Von Solodkoff : Masterpieces from the House of Faberg before purchasing it in order to gage whether or not it would be worth my time, and all praised Masterpieces from the House of Faberg:

1 of 1 people found the following review helpful. The pictures are awesome! There are lots of close-ups so you can ...By gloriaArrived within the time frame stated. The pictures are awesome! There are lots of close-ups so you can see all of the detail work. The book had a funny smell to it...like maybe it belonged to someone who smoked cigarettes. I had to let it air out on the porch. Other than that, I am happy to have it on my coffee table.0 of 0 people found the following review helpful. Exactly what I wantedBy DirectorE already have a beautiful book on Faberg eggs, but before a trip to Russia (and a chance to see some) I wanted to know more. This is a fascinating book that includes much more than just the eggs. It is a perfect blend of incredible photographs and interesting history. Wish it wasn't hard bound (heavy) because it will be a definite part of my carry-on luggage!4 of 4 people found the following review helpful. Masterpieces of Faberge, a great find.By CustomerIt was so complete with information! Thank you for

offering this book to us. I read some of it to my grandson and he was fascinated.

Peter Carl Faberge, court jeweler to the czars, is a name synonymous with beauty, craftsmanship, and sumptuous excess. This exciting book features some of the best photographs ever made of Faberge objects. Over 350 illustrations, 80 in full color.
