That is why it sold for such a cheap price. I am still looking for a better book.4 of 4 people found the following review helpful. A Must Have for the Matchbox CollectorBy A CustomerOf all of the reference guides I own, I use two. This is one of those two. This book is an invaluable resource for identifying Matchbox models. It has several indexes to use--chronological, by name and by issue number. I would recommend that any Matchbox collector add this book to their reference library.3 of 4 people found the following review helpful. awesomeBy A CustomerThis book helped me greatly
