McDonald's Drinkware: Identification Value Guide (Identification Values (Collector Books))

Michael J. Kelly : McDonald's Drinkware: Identification Value Guide (Identification Values (Collector Books))
before purchasing it in order to gage whether or not it would be worth my time, and all praised McDonald's
Drinkware: Identification Value Guide (Identification Values (Collector Books)):

0 of 0 people found the following review helpful. McDonalds Drinkware: Identification and Value GuideBy sophie j
di nicoloI bought this for my husband who has been collecting glasses of all kinds for many years. McDonalds, Burger
King, Sports, Preakness, Super Heros, you name it he has it.0 of 0 people found the following review helpful. Five
StarsBy Roxanne PowellI use this all the time0 of 0 people found the following review helpful. Great McDonald's
bookBy MelanieI enjoyed reading this McDonald's drink ware book. It has a lot of interesting details year by year as
the glasses came out. Very nice, clear pictures.

Michael J. Kelly If you see the Golden Arches, you know exactly what they mean. McDonald's restaurants have been around since 1955, and have served cheeseburgers, french fries, and other 'happy' meals to billions of people around the world. Besides its popularity for their fast food, McDonald's has also become well-known for pouring its beverages into hundreds of different glasses, cups, mugs, and other drinkware. These various containers have become highly collectible, and have been around since the 1970s. Michael J. Kelly, co-author of the popular Collectible Drinking

Glasses, has focused this time specifically on McDonald's drinkware and produced the most comprehensive identification and value guide on this subject. Over 1,600 items, both domestic and foreign, are listed and pictured in almost 300 color photographs. It's the only book to list and price glass, ceramic, pottery, plastic, acrylic, and paper drinkware. Glasses and cups commemorating grand openings, anniversaries, conventions, Hamburger University,

Ronald McDonald House, sports, and NASCAR are all featured in this book. There is extensive coverage of convention stemware, paper cups, travel mugs, sports bottles, and sports glassware. Plus it features rare McDonald's managers' issues, prototypes, and error glasses never before seen in any publication.
