Welcome to the world of McDonald's Happy Meal[®] collectibles. These two books(USA and Worldwide)present a thorough list and complete Price Guide for the thousands of toys and collectibles distributed with Happy Meal[®] boxes and bags. Together, they are the most authoritative references. Thousands of all-color photographs show the toys, boxes, bags, advertising materials, buttons, pins, and variations given out both in the United States (one book) and in all the other countries around the world(another book). The authors have established a definitive numbering system to identify each and every item distributed with an alphabetical/numerical listing, and a cross-reference superseding numbering systems in other books. This set of books gives a time line of McDonald's Corporation history, check-off boxes to help you organize your collection, and the catalog of the items distributed with a Happy Meal[®] in the USA and worldwide. Read along and enjoy the fun!
