Cute set.By Cindy PerezCute paper doll set. I have seven or eight of these sets from various countries now and I am well pleased with them. There are two dolls and lots of costumes and accessories. The dolls are on an inside back flap and come with stands. There are a few paragraphs inside the front cover about Mexican clothing. And a map of Mexico inside the back cover.

Dress 2 dolls (boy and girl) in 32 authentically detailed costumes, including fancy riding (charro) outfits, the bullfight outfit known as the "suit of lights," and the china poblana, a national costume for girls. Also included is a colorful

array of traditional Indian attire, along with characteristic headgear.
