Mexico's Maya Jewelry: Volume 1: Maya Mexico / Casa Maya

Sandy Hargrove : Mexico's Maya Jewelry: Volume 1: Maya Mexico / Casa Maya before purchasing it in order to gage whether or not it would be worth my time, and all praised Mexico's Maya Jewelry: Volume 1: Maya Mexico / Casa Maya:

At last the company which produced Maya Mexico jewelry has been identified! This collector's guide gives details about the company, artists connected in some way to the jewelry, and insights into the Meso-American beliefs behind the designs. The main portion of the book remains the catalog of designs. Many new ones have been added in this revised edition. Information about Taxco Maya Jewelry (a separate company operating in Mexico during the same years) will be given in Volume 2.

About the AuthorSandy Hargrove has degrees and university training in History and Anthropology/Archaeology. She

taught for 30 years in the public school system and has been writing books using her research skills during her retirement years.
