By Dymon Enlow Spanning the years 1932 - 1970 "Mighty Movies" is a visual treat for movie lovers like myself. Packed from cover to cover with around 200 vintage posters of Biblical epics, swashbucklers and sword and sandal spectacles like HERCULES UNCHAINED and GOLIATH AND THE DRAGON. I couldn't help but dream about how wonderful it must have been to watch all these movies in the theater. In addition to all the great posters Bassoff has added lots of information about the movies themselves. One interesting fact I learned was in 1912 the Astor Theatre in Manhattan raised its ticket price from 15 cents to \$1.50 for Guazzoni's now lost QUO VADIS! Here are some of the posters I enjoyed the most: NORTHWEST PASSAGES SAMSON AND DELILAH MUTINY ON THE BOUNTY THE PRODIGAL GOLIATH AND THE SINS OF BABYLON GOLIATH AND THE VAMPIRES

Over 150 rare, original and ravishing vintage Hollywood movie posters illustrate the history of the Classic Age of the Historical Adventure Epic (1932-1970) in the fabulous Mighty Movies!
