[Free] Miller's Antiques Encyclopedia

## **Miller's Antiques Encyclopedia**

**Judith Miller : Miller's Antiques Encyclopedia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Miller's Antiques Encyclopedia:

5 of 5 people found the following review helpful. SuperbBy ECJudith Miller is the best. Every year I get her book on prices and keep it in the car wherever I go. (I also love 1stDibs.com for pricing, as well.) This is the first time I purchased her encyclopedia. WOW! It's gorgeous! If you love antiques, don't even think about it. GET THIS BOOK!!!!1 of 1 people found the following review helpful. Five StarsBy CustomerUse in business every week.1 of 1 people found the following review helpful. My wife loves it.By Ronald M. YouvanMy wife loves it.

A new edition of the bible of the antiques world - the most accessible, authoritative and trusted antiques reference book available. This new edition reflects changes in the antiques market since 2008. Clearly and logically organized by period and a type, it is packed with practical and useful information and hundreds of photographs. It explains

materials, marks and techniques; provides clues to identification and dating; and offers hints on what to consider when examining antiques. The huge breadth of material covers everything from 18th century chairs to 20th century Barbie dolls, Art Deco sculpture to ancient Chinese ceramics, and toy robots to the ever popular Mid-Century Modern. Indispensable to industry professionals and collectors, it is also accessible to beginners and a useful resource for eBay users. First published in 1998, Miller's Antiques Encyclopedia has gone to sell more than 130,000 copies and remains an invaluable aid to collecting.

"An ornament to any bookshelf and a treasure-trove of information.' (BBC Homes Antiques Magazine)" About the Author Judith Miller began collecting in the 1960s while a student at Edinburgh University in Scotland. She has since extended and reinforced her knowledge of antiques through international research, becoming one of the world's leading experts in the field. In 1979 she co-founded the international best-seller Miller's Antiques Price Guide and has since written more than 100 books which are held in high regard by collectors and dealers.
