For over 10 years, Millers Classic Motorcycles Price Guide has gone from strength to strength, becoming the ultimate

guide for cyclists and collectors. And the 2005/6 edition has a great new feature: price comparisons compiled by a team of experts, and organized by model and year. With more than 1000 motorcycles illustrated, described, and priced, plus manufacturers introductions and motorcycling milestones, this volume is simply an indispensable resource for both first-time buyers and more experienced collectors. Collecting information, model details, and makers are authenticated by expert and bestselling author Mick Walker.

For those interested in motorcycles, either professionally or for pleasure, Miller's Classic Motorcycle Price Guide is essential reading with even more to offer." Overdrive Magazine; "What impresses... is the exhaustive information, from the Starter Marque's advice to beginners and enthusiasts on a budget, to the detail which accompanies each of the over 2,000 illustrations." Antiques Magazine; "Miller's Classic Motorcycles... for armchair enthusiasts and serious buyers alike." Mail on Sunday About the Author Mick Walker is acknowledged around the world as the leading authority on motorcycle racing and classic motorcycles. His first book was published in 1985, and since then he has authored over 90 specialist books with almost one million copies sold around the world in various languages. In 1998, he was largely responsible for The Art of the Motorcycle exhibition at the Guggenheim Museum in New York, and the Director wrote: "You are the only person who was capable of writing the first and the last entry in our catalogue". In 1999, Ducati presented him with a Lifetime Achievement Award - the first of its kind ever made.
