Excellent Concise Review of Victorian thru 1990's Costume JewelryBy All-ThingsThis is one of the best general reviews of costume jewelry styles and manufacturers from the Victorian era to the 1990's. The pictures are large and very detailed. One of the nicest features is that many of the pictures are annotated to help you to assess various features of each piece and how they affect valuation. I highly recommend this book for both the novice and experienced collector!0 of 0 people found the following review helpful. Great vintage costume jewelry bookBy K. SpragueMy mom loves this book! Great pictures and different vintage costume pieces. Prices are very high in the book, much higher than dealers can even ask for pieces.0 of 0 people found the following review helpful. Good BookBy Paula S. McClainThis is a great book for collectors of costume Jewelry. It has a lot of good pictures as well to help identify pieces you might have
