HelpfulBy Christine S.Great basic ideas helpful5 of 6 people found the following review helpful. very basic, pre-InternetBy Jerry LaicheThis was a great book in the 80's. It still is useful in defining terms and older methods. Having lived and worked as a book dealer and collector during the digital revolution, I can say with some authority that "Modern" book collecting is definitely and significantly different than 30 years ago.0 of 0 people found the following review helpful. Modern Book Collecting offers advice that answers all the basic questions a book lover and collector might have: what to collect and where to find it, how to tell a first edition from a reprint, how to build an author collection, how to get the best price from dealers, how to understand the prices and rarity of books, and more. With a handy dictionary of terms used in auction and dealer catalogs and a new section on Internet resources, this is a must-have guide for book lovers.
