So many good ideas that the students love. Wish I had enough time in the day to do all the things mentioned. Love the list of books and how you refer to books. Makes it much easier to use. I was fortunate to hear Dr. Walther in person years ago. Great resource.

By Chando This is a great resource providing teachers with specific lessons to meet standards and help students to build up their writing skills! There are also book ideas included to support the lesson. I've recommended it to others and they have purchased it already.

This book was just what I needed to bring our writing program together and get us all on the same page. The scope and sequence is just right for the primary grade levels. It was written by two first grade teachers so, it is definitely age/grade-appropriate. Everything is provided, including literacy selection suggestions. I am very happy with this selection!

Ms. Wise, Primary Teacher
Writing Coordinator

In this comprehensive resource, two veteran primary teachers share a multi-faceted approach to teaching writing that seamlessly combines the use of powerful mentor texts, strategy lessons, and the traits: ideas, organization, word choice, voice, sentence fluency, and conventions. Their yearlong plan is organized month-by-month and includes ideas for interactive morning messages, read-aloud suggestions, and more than 75 mini-lessons for teaching genre, grammar, the traits, and much more. Also included are reproducible planning sheets for a variety of genres and editing checklists, plus more than 250 literature suggestions. You'll find everything you need to help your young writers soar!

For use with Grades K-2.
