The pictures are beautiful and the information is good. Prices are accurate too. One of the few items in my short history of collecting glass that I've found actually can be bought and sold for the prices listed. My only complaint is that a number of times they picture the same item twice. We love pictures, surely there were enough items available that pictures didn't have to be repeated.0 of 0 people found the following review helpful. LeDonna D. Informative. It would have been nice to have many more photos.

Mt. Washington Art Glass features Victorian art glass produced from the 1880s into the early 1900s in New Bedford, Massachusetts. More than 800 exquisite photos featuring Burmese, Peach Blow, Crown Milano, Royal Flemish, Colonial Ware, Rose Amber, Napoli, and Verona are provided. Included are sections showing biscuits, lamps, fruit bowls, salt pepper and other condiment sets, sugar shakers, pitchers, vases, and toothpick holders. In addition, there is a chapter of outstanding Webb Burmese examples. 2003 values.

More than 800 photos are featured in this picture price guide to America's premier Victorian art glass. Webb Burmese glass is included, and the book packs in clear and inviting color photos of the expensive pieces. It provides collectors with specific, important references to values and history. Clear color photos and succinct captions are supplemented by additional information about the various lines and makers. About the Author Betty Sisk spent more than 30 years collecting and researching before producing her book, Mt. Washington Art Glass.
