## **Mustang**

**Auto Editors of Consumer Guide, Editors of Publications International Ltd. : Mustang** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mustang:

Saddle up for a lively look at the frisky Ford that's been winning America's heart for over 50 years. Colorful, action-packed format includes the complete Mustang story, from the original 1960s "ponycar" to today's reborn classic. Hundreds of photos. Features rare shots of prototype designs, historic ads, factory brochures, and scores of restored Mustangs.
