Matched my statehood quarters one that it sits next to on the shelf.0 of 0 people found the following review helpful. great way to care for your coinsBy velasco, carlosHigh-end product, great way to care for your coins.3 of 4 people found the following review helpful.

Another great quarter album from WhitmanBy Jonah BishopI'm happy to report that this album is exactly like the statehood quarter album that Whitman released years ago. Each cardboard page holds two years' worth of coins, and both the front and back of each coin is visible thanks to little plastic dividers that hold each coin in place. There's room enough for the entire collection (once they've all been released), though only one mint mark can be held in this album

if you're into that sort of thing. I'm simply interested in collecting the different designs, so this album was perfect for me.
