[Free read ebook] Nativity: Creches of the World (Schiffer Design Books)

## **Nativity: Creches of the World (Schiffer Design Books)**

**Leslie Pina : Nativity: Creches of the World (Schiffer Design Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nativity: Creches of the World (Schiffer Design Books):

1 of 1 people found the following review helpful. ... collector and I thought the book would be a nice gift for herBy David MooreMy wife is a nativity collector and I thought the book would be a nice gift for her. I was disappointed by the overall quality of the book. The online description definitely embellishes the value of the cultural context photos and information associated with the nativities. I returned the book.0 of 0 people found the following review helpful. Five StarsBy CustomerI like the inclusion of location photos.0 of 0 people found the following review helpful. Four StarsBy evelynBeautiful pictures - lots of different countries

This book showcases a wide variety of Nativity sets that display multi-cultural artistic interpretations of the true meaning of Christmas. Artisans from more than forty countries on five continents are represented, each with beautiful

expressions of the greatest story ever told, often with photographs from the country of origin to accompany the artwork. Whether sculpted in clay, carved from wood, painted, woven, or cast, these Creches from around the world are sure to enhance holiday celebrations and illustrate the universality of the Christmas message.

About the Author Leslie Pina, Ph.D., is a well-known authority and author of numerous books on twentieth-century decorative arts and design.
