Navaho and Hopi Weaving Techniques

Mary Pendleton : Navaho and Hopi Weaving Techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised Navaho and Hopi Weaving Techniques:

0 of 0 people found the following review helpful. Good bookBy RetireToNevadaGood book. I was just interested in techniques used in making the rugs but am not a weaver though. Just curious.0 of 0 people found the following review helpful. Navajo and Hopi Weaving TechniquesBy Michele D.A great book on how to weave the Navajo style of weaving. It's a must have book in your library of Navajo Weaving books.0 of 0 people found the following review helpful. This is not a coffee table bookBy Bernie (xyzzy)This is a technical how to from concept to practical.From the front flap:Navajo and Hopi Weaving Techniques provides clear, step-by-step instructions, along with illustrations, for weaving Navajo rugs and Hopi ceremonial sashes in exactly the same way as the craftsmen of these two neighboring tribes have woven them for generations.Most of the photos and illustrations are monochrome. There is a small color (eight pages) section. This section separated the two books. This book is clear enough that you need little other information to get off the ground. For people familiar with other weaving and spinning methods this will just be an adjustment.The first book or half is the Navaho weaving which includes related skills. It is introduces by Howard Gorman who is a member of the Navajo Tribal Council. The second book or half is Hopi weaving with introduction by White Bear Fredericks who is a member of Coyote Clan of the Hopi Nation.If you are just interested in the subject then no better book could adorn your library. You can put this information in perspective with "Women's Work: The First 20,000 Years - Women, Cloth, and Society in Early Times "by Elizabeth Wayland BaerberWomen's Work: The
