If your a interested in firearms and related subjects related to them you need this book. Too many people believe what they see in the movies and t.v. also the liberal biases news media reports. With the information in this book you can at least show what the truth really is.1 of 1 people found the following review helpful. Excellent reference bookBy Robert A. HathawayThis is an excellent book for all firearm enthusiast, especially those studying "Forensics". It is a wealth of knowledge covering numerous topics.1 of 1 people found the following review helpful. Five StarsBy Mary UlloaExcelent book and guide for training.
