The Gun Digest Book of Guns for Personal Defense: Arms Accessories for Self-Defense

Kevin Michalowski : The Gun Digest Book of Guns for Personal Defense: Arms Accessories for Self-Defense before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gun Digest Book of Guns for Personal Defense: Arms Accessories for Self-Defense:

1 of 1 people found the following review helpful. Be Aware of What You're Getting Here! And NOT Getting...By BebopBoomerThe main point about this book is that it is not really a book at all! It consists of about 40 pages of short chapters on various aspects of handguns, followed by about 150 pages of product listings taken pretty much entirely from the analogous sections of Gun Digest-that is, pictures of handguns with brief specifications and a list of prices. If you are interested in 40 pages of VERY elementary articles on handguns, this might be the book for you. For the rest of the book, you'd do better to get the most recent Gun Digest from your local library.0 of 0 people found the following review helpful. Good InfoBy H. R. ColeyA must read for new gun owners or anyone thinking of becoming a gun owner.13 of 15 people found the following review helpful. Not totally what I expectedBy Wise SageMuch of the

book is really a catalog of gun models. The actual text is limited. What is written is well done and informative.

Personal protection is a hot topic today, and current, complete information on the handguns used for it is in great demand. This "Gun Digest" new release provides just that. Handgun enthusiasts or anyone looking to find out about handguns for personal defense will find everything they need to know in that pages of this comprehensive guide and reference. Readers will learn the basics of selection and use of handguns for personal defense. The book covers uses of revolvers, semi-automatic pistols, ammunition, holsters, firearms training options, buying a used gun and much more. A catalog section contains listings of currently available pistols and revolvers suitable for personal defense, complete with pricing for each.
