The Herodian Dynasty: Origins, Role in Society and Eclipse

Nikos Kokkinos : The Herodian Dynasty: Origins, Role in Society and Eclipse before purchasing it in order to gage whether or not it would be worth my time, and all praised The Herodian Dynasty: Origins, Role in Society and Eclipse:

1 of 2 people found the following review helpful. This volume is well annotated and is a very good read. I do believe that it is a ...By Dan C.This volume is well annotated and is a very good read. I do believe that it is a good idea to do some prep work before taking it on. Foreknowledge of Herod the Great and some general Roman-Israeli Historical background is good preparation. The general background will provide anchor points to understanding this complex

analysis.

The remarkable Herodian dynasty flourished from the second century BCE to the second century CE. This book examines its origins, measures its impact on Jewish society, and discusses the influence it had beyond Judaea. It argues that the Herodian dynasty played a central part in the workings of the Eastern Roman Empire. The author suggests that Herod the Great would be better described as a 'Hellenized Phoenician' rather than simply as an 'Idumaeon' and draws on a variety of evidence to support this view. The Herodian dynasty is seen in the context of the political structure of the province of Judaea and life in GrecoRoman Palestine as a whole.
